Benchmark performance: Benchmarks are used for comparison purposes. The Russell 3000 Growth index is considered to be the main benchmark of the sub-fund as it is made up of growth stocks, which corresponds to the emphasis placed by the manager in the management of the sub-fund. The S&P 500 Index can also be provided as it is considered to be an indicator of the US equity market. Although the manager is not subject to any constraints in the active management of the sub-fund and may invest in companies not included in the benchmarks, the performance of the sub-fund may, from time to time, show close similarities with these benchmarks.

Top Ten Holdings: These securities do not represent all of the securities purchased, sold or recommended for clients, and the reader should not assume that investment in the securities listed was or will be profitable. The portfolio manager for the Fund reserves the right to withhold release of information with respect to holdings that would otherwise be included in the top holdings list.
