

Templeton Emerging Markets Fund

Class A (Ydis) USD • ISIN LU0029874905 • A sub-fund of Franklin Templeton Investment Funds
The management company is Franklin Templeton International Services S.à r.l.

Objectives and Investment Policy

Templeton Emerging Markets Fund (the “Fund”) aims to increase the value of its investments over the medium to long term.

The Fund pursues an actively managed investment strategy and invests mainly in:

- equity and equity-related securities issued by companies of any size located in, or doing significant business in, emerging markets

The Fund can invest to a lesser extent in:

- debt securities issued by governments and corporations of any size located in, or doing significant business in, emerging markets
- equity or debt securities issued by companies located in any country whose performance relates to assets or currencies of emerging markets

The investment team uses global research expertise with a focus on identifying companies in emerging markets that it believes to be overlooked by other investors and to offer an opportunity for increased value over the long term.

The benchmark of the Fund is the MSCI Emerging Markets Index-NR. The benchmark is used solely as a reference for Investors to compare against the Fund’s performance, and the benchmark is neither used as a constraint on how the Fund’s portfolio is to be constructed nor set as a target for the Fund’s performance to beat. The Fund can deviate from the benchmark.

You may request the sale of your shares on any Luxembourg business day.

For the distribution share class shown in this document, dividend income is distributed to shareholders.

For further information on the Objectives and Investment Policy of the Fund, please refer to the section “Fund Information, Objectives and Investment Policies” of the current prospectus of Franklin Templeton Investment Funds.

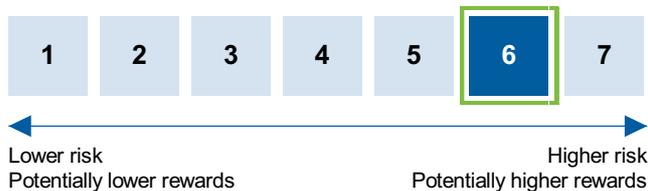

Terms to Understand

Debt securities: Securities representing the issuer’s obligation to repay a loan at a specified date and to pay interest.

Emerging markets: Countries whose economy, stock market, political situation and regulatory framework are not fully developed.

Equity securities: Securities that represent an ownership stake in a company.

Risk and Reward Profile

What does this indicator mean and what are its limits?

This indicator is designed to provide you with a measure of the price movement of this share class based on historical behavior.

Historical data may not be a reliable indication of the future risk profile of the Fund. The category shown is not guaranteed to remain unchanged and may shift over time.

The lowest category does not mean risk free.

Why is the Fund in this specific category?

The Fund invests mainly in the equity securities of emerging markets around the world, which have historically been subject to significant price movements, frequently to a greater extent than equity markets globally. As a result, the performance of the Fund can fluctuate significantly over relatively short time

periods.

Risks materially relevant not adequately captured by the indicator:

Emerging markets risk: the risk related to investing in countries that have less developed political, economic, legal and regulatory systems, and that may be impacted by political/economic instability, lack of liquidity or transparency, or safekeeping issues.

Foreign Currency risk: the risk of loss arising from exchange-rate fluctuations or due to exchange control regulations.

Liquidity risk: the risk that arises when adverse market conditions affect the ability to sell assets when necessary. Reduced liquidity may have a negative impact on the price of the assets.

Chinese Market risk: In addition to typical risks linked to Emerging Markets, investments in China are subject to economic, political, tax and operational risks specific to the Chinese Market. Please also refer to the prospectus for China QFII risk, Bond Connect risk and Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect risk.

For a full discussion of all the risks applicable to this Fund, please refer to the “Risk Considerations” section of the current prospectus of Franklin Templeton Investment Funds.
