

STEP**1****Request for an Activation Code**

Send SMS to 4595 from your mobile number registered with the bank in the following format:

ACT [First 4 digits of Card number]
[Last 4 digits of Card number]

Example: ACT 5337 7890

STEP**2****Receive 6 digit Activation Code via SMS.**

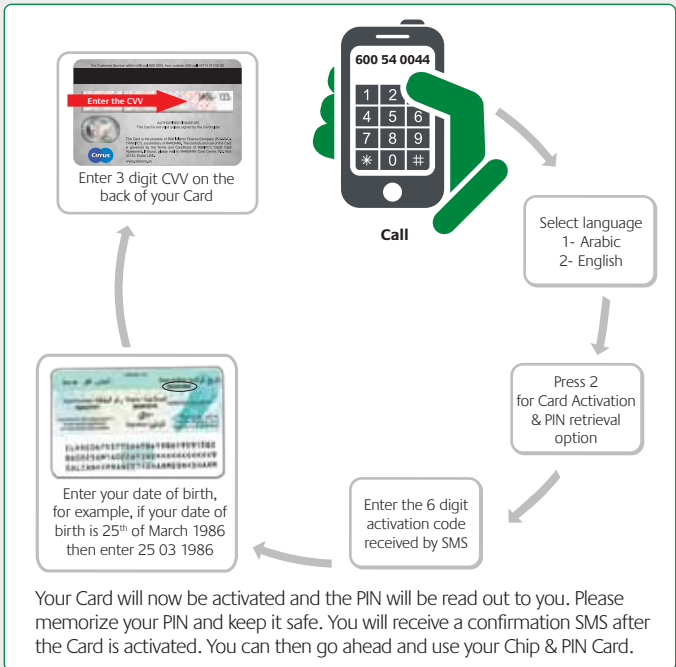

This code is valid only for 30 minutes.

SMS

STEP**3**

Call 600 54 0044 and follow instructions to activate your Card and hear the PIN.

Your Card will now be activated and the PIN will be read out to you. Please memorize your PIN and keep it safe. You will receive a confirmation SMS after the Card is activated. You can then go ahead and use your Chip & PIN Card.

Note for activating Supplementary Cards:

- Request for activation code should be sent from Primary Cardholder's mobile number registered with the bank
- The date of birth of the Supplementary Cardholder should be entered
- The CVV and expiry date should be that of the Supplementary Card
- You will need to activate each Card separately, by performing the above mentioned steps

* Amal Cards are issued by RAKBANK
